

Title:

Laborer

Level:

N/A

FLSA Status:

Non-exempt

Division:

Solid Waste

Department/Location:

Landfill

Employment Status:

Seasonal Full-Time

SUMMARY

The Laborer reports to Transfer Station, Landfill Management Staff and/or Lead Equipment Operators. This position is responsible for grounds cleaning on a daily basis, in all outdoor weather conditions. The Laborer is assigned to work crews that are responsible for the installation of gas collection wells. This position requires mandatory overtime as needed. The Laborer must interact with both internal and external customers in a professional manner. This is a seasonal full-time position. The season will last no more than six (6) months and the work schedule will average 40 plus hours per week.

RESPONSIBILITIES

- Inspect incoming waste vehicles for proper waste classification.
- Direct haulers to designated disposal area.
- General duties to include cleaning of grounds, transfer station, landfill and compost sites.
- Operate Skid Steer and water tank truck if required.
- Perform minor preventive maintenance (i.e. check air in tires and fluid levels) on various pieces of equipment.
- Perform labor associated with installation of gas collection headers and other odor control units.
- Take direction from solid waste management staff and lead equipment operators.
- As needed and/or directed, assist the ACUA with its environmental mission and commitment to excellent customer service, to include but not limited to: serve in an advocacy role, help with site tours, attend events and activities that the Authority participates in or sponsors.
- Remain compliant with all training requirements for this position. The training requirements for this position are located on InsideACUA in the Employee Resources section (Blue Box) under Training Resources.
