Administration and Finance/CFO
6700 Delilah Road
Egg Harbor Township, New Jersey 08234

The final December 31, 2021, annual audit report has been delayed due to the delay in issuance of the June 30, 2021, State of New Jersey Health Benefits Local Government Retired Employees Plan audit report. The Authority employees participate in this plan. Receipt of the completed plan audit report is required in order to ensure that the final adjustments are made to the Authority's financial statements and related footnote disclosures, and required supplementary schedules are updated in order to comply with the requirements of US Generally Accepted Accounting Principles and Governmental Accounting Standards Board Statement Number 75.
