SCOPE OF WORK:

Bids are solicited for the CIPP lining of 10,200 LF of the ACUA's 21" ACP Gravity Main located in Galloway, NJ. The work includes, but is not limited to cleaning, video pipe and manhole inspection, traffic control, temporary bypass, CIPP lining, non-structural manhole repair, and structural manhole repair. All work to be performed according to the plans and specifications.

The project or contract is funded in part by New Jersey wastewater treatment financing programs and the successful bidder must comply with all the provisions of N.J.A.C. 7:22-9.1 et seq. for the participation of small business enterprises owned and controlled by socially and economically disadvantaged individuals.

N.J.A.C. 7:22-3.17(a)24, 4.17(a)24, 6.17(a)24 and 7:22A-2.4(a) provide that a goal of not less than 10 percent be established for the award of contracts to small business concerns owned and controlled by one or more socially and economically disadvantaged individuals. The goal of 10 percent applies to the total amount of all contracts for building, materials and equipment, or services (including planning, design and building related activities) for a construction project. The project sponsor has identified that the SED utilization goal for this project is: 10%.

Awards will be made only to socially and economically disadvantaged business concerns that are certified by the New Jersey Commerce, Economic Growth and Tourism Commission, the New Jersey Department of Transportation, the Port Authority of New York and New Jersey, New Jersey Transit or other agencies deemed appropriate by the Office as eligible minority businesses or female businesses. The invitation to bid is on an unrestricted basis whereby the successful bidder must fulfill the SED utilization requirements.
