At the Bid Submission and Bid Opening date, time and place, said bids will be opened and read aloud.

Specifications and bid documents may be obtained online at the following web address https://procurement.opengov.com/portal/acua.

All bids must be accompanied by a certified check or bid bond in the amount of 10% of the total bid, not to exceed $20,000.00.

Bidders are required to comply with the requirements of N.J.S.A. 10:5-31 et seq, and N.J.A.C. 17:27 et seq.

SCOPE OF WORK:

The Atlantic County Utilities Authority (ACUA) owns and operates a Solid Waste complex in Egg Harbor Township, Atlantic County, NJ, known as the Howard F. Haneman Environmental Park. The complex is located at 6700 Delilah Road, in Egg Harbor Township, New Jersey. The purpose of this bid document is for the ACUA to receive bids from a contractor/vendor to design, supply and install a fire suppression system in the Recycling Center Transfer Station tipping floor (27,000

square feet). The successful contractor / vendor must have the capability to design, build and provide a complete "turnkey" installation of the system per the following specifications in this document.
