

WE'RE ON A ROLL... AGAIN!

MEET YOUR NEW TRASH CART

Your new trash cart has two wheels for easy maneuvering and a lid to keep things tidy. The new trash cart will complement the recycling cart that was distributed last year, creating extra space and storage.

WHERE DO I STORE MY RECYCLING AND TRASH CARTS?

Please store your carts behind or beside your home, in accordance with the City ordinance.

A TRASH CART WAS DELIVERED TO MY HOME, BUT I DO NOT WANT IT. WILL YOU TAKE IT BACK?

No. Residents must use the carts delivered for trash moving forward. The carts are assigned to a specific address and may not be removed from the property they were delivered to. The carts are the property of the City.

DO I HAVE TO PUT MY TRASH IN MY CART?

Yes. Trash should be placed in the new cart for weekly pickup. Other containers can be used for additional storage only if they have a secure lid.

HOW DO I SET MY CART OUT PROPERLY ON COLLECTION DAY?

Place your cart on the curb no more than 12 hours before your collection day. Make sure the cart is accessible to the crew. Do not place it behind trees, mailboxes, lamp posts or parked cars. Trash and recycling containers must be separated by 6 feet. Carts must be returned to the appropriate location no more than 12 hours after collection.

WHAT DO I DO WITH MY OLD BIN?

Old bins can be used for other household purposes, such as yard waste collection. They can also be disposed of as bulky waste at the Atlantic County Utilities Authority (ACUA) at 6700 Delilah Road in Egg Harbor Township.

WHAT IF MY CART IS STOLEN OR DAMAGED?

Each cart will be assigned to a particular address using a RFID tag. If your cart is lost, please call ACUA at 609.272.6950 and they can try to locate it. A police report should be filed with the Absecon Police Department immediately upon vandalism or theft. Property owners are responsible for damage or theft. Please contact ACUA for any issues with lids or wheels.

Dear Absecon Residents:

We are proud to present you with a new 96-gallon trash container! With the success of the recycling carts distributed last year, the City of Absecon has decided to provide residents with new trash containers to complement the recycling containers, helping to promote a clean, sustainable community for residents to enjoy.

Carts are an effective litter prevention tool that keep items from escaping on windy days. The wheeled, 96-gallon carts are easy to maneuver and come with an attached lid that will keep materials contained and dry.

The new containers will be the primary containers used for your trash disposal. The carts belong to the City of Absecon and must stay with the property, even if a homeowner moves.

We are also providing residents with a reusable shopping bag that we hope will come in handy as we adapt to the new laws recently implemented by the state.

Please review the trash disposal guidelines included in this packet with a list of Frequently Asked Questions we hope you will find helpful.

If you have additional questions about your carts or trash and recycling collection, please contact City Hall at (609) 641-0663 ext. 105 or www.abseconnj.gov. You can also contact ACUA at (609) 272-6950 or by visiting their website, www.acua.com.

Sincerely,

A handwritten signature in black ink that reads "Kimberly Horton". The signature is written in a cursive style with a large, looping initial "K".

Mayor Kimberly Horton
